Part 1 Professional Qualifications

1. Professional experience. Highlight the currency of the individual's significant public service and/or substantial scholarly contributions to public administration. Include agency/organization, position title and year(s) of service:
2. Other significant experience in public service with a special interest in public administration, including years of service:
3. Demonstrated concern for the advancement of public administration (usually reflected by authoring published works and/or selection as a leader in professional societies related to public administration):
4. Willingness and ability to actively contribute to the work of the Academy, especially items of strategic interest to the Academy or panel participation:
5. Awards, including year received:
6. Representative books/publications, including year published:
7. Education, including institution, major course of study and year of degree:

Part 2 Additional Board Guidance

Please highlight how the candidate matches the needs expressed in the Board guidance:

8. Would this candidate increase diversity in terms of gender, race, age, national origin and geography?
9. Is this person likely to become actively involved?
10. Does this candidate have a body of work in, but not limited to:
 - a) enterprise finance management and public-private finance;
 - b) international development;
 - c) environmental/natural resource policy/management
 - d) program evaluation and performance management;
 - e) strategic planning and foresight/futures;
 - f) operational experience, especially as Chief Information Officers (CIO); and
 - g) applied science and engineering
11. Is this candidate a former federal, state or local government leader who continues to engage in public sector issues in current roles that may be in private sector or non-profit organizations?
12. Does this candidate have the following experience: current federal, state and local government practitioners particularly members of the Federal Senior Executive Service and those who have received Presidential Rank or SAMMIES awards and equivalent state and local executives?
13. Is this candidate a citizen of a country other than the United States?

Part 3 Recommender's Statement

In your own words, please provide a clear and convincing case why this candidate would be a valuable Fellow. Using a paragraph or bulleted statements, explain how the candidate would actively contribute work, wisdom or resources to the Academy as it serves to strengthen and improve government at all levels. Please be as clear as possible on the expertise your candidate will bring to the Fellowship.

Part 4 Resume

Please attach a resume, not to exceed four (4) pages.
